**About our mission** ... Friends of the Shelter, Inc. SPCA is celebrating 35 Years of helping pets. We subsidize the cost of spay/neuter programs in seven Northern Kentucky counties. Low cost service is essential to keeping unwanted litters out of our shelters and ending euthanasia of adoptable animals. We also encourage humane handling and care of animals, promote animal shelters and strive for responsible pet adoptions and ownership. In 2024 we helped 811 dogs and cats.

**We appreciate your support!**
