NKY EMERGENCY PET RESOURCES

There is a new nonprofit in Northern Kentucky to help families with their pets. Their mission is “to keep companion animals fed, healthy and in the homes when families may otherwise be forced to surrender or re-home their pet.”

NKYEPR offers free pet food & supplies throughout the Northern KY counties. They receive donations from individuals and they are partnered with local business who give them the pet supplies they need/

You can visit their website for more information, to volunteer and for the form to request help. They are also in need of money donations to help them fund medical assistance for pets. This can be done on their website.
